

CAREER OPPORTUNITY

ProKontrol is the largest distributor of heating, ventilation, air conditioning and refrigeration controls (HVACR) for commercial buildings in Canada. We distribute all major brands of **HVAC controls** under one roof.

More than a Supplier...A Solution! In addition to products and parts support, we also offer retrofit services, start-up services, telephone and on-site technical support, engineering design, panel assembly, technical drawings/wiring diagram and software programming. For 40 years, **ProKontrol** has been showing consistent growth with locations in Laval, Longueuil, Quebec, Toronto, Ottawa and Halifax in addition to our location for combustion. We are looking to fill the following position:

Senior Systems Designer-HVAC Controls
