

# CAREER OPPORTUNITY

ProKontrol Carostan « PK Carostan » is a leader in the design and manufacturing of control panels and automated systems. Recognised for their professionalism, their high-quality products and their exceptional technical support and after-sales services, Carostan has forged long term partnerships with their clients where they have supplied panels for important projects such as Hydro-Quebec, CHUM, Cirque du soleil, REM, Cavalia and many more.

Proud to offer products which are CSA and cCSAus certified, we are constantly on the lookout for new technologies which will optimise our products and systems in order to confirm our place as a point of reference for our customer and as an employer of choice for our employees. Originally founded in 1991, and now integrated in the ProKontrol Group, PK Carostan is on the rise! We are looking to fill the following position:
